Who is CSE

About CSE

Community Sustainability Enterprise (CSE) is a Georgia based Community Development focused 501c3, whose mission is the socioeconomic transformation of low income/high potential people and communities one generation at a time, through next level self-sufficiency and self-efficacy.

Mission Statement

CSE delivers quantifiable socioeconomic outcomes through their quality 5 Pillar Cross Collaborative Youth and Adult program delivery model, in partnership with Affordable Housing Developers and Builders and through our School Based Public Private Partnership model:

-  Mental & Physical Wellness
-  Educational Attainment
-  Financial Literacy & Capability
-  Workforce Development
-  Entrepreneurship

CSE is an African American, female founded organization, proudly serving low income, high potential, minority communities and organizations desiring to "do well, while doing good"
